[REDACTED] 1. Action Requested: That you sign the attached letter to LTG Williams. 25X1

2. Background: In a letter to the DCI, Senator Goldwater, Chairman of the Senate Select Committee on Intelligence, has registered his concern over the cost growth of the U-2R/TR-1 airframe. His contention that the cost increase per aircraft has been nearly 100% in only two years is correct and we share his concern over the implications this growth may have.
